

Testimonials from Clients of Classique Design Cabinets & Wardrobes

Dear Classique,

Just a quick note to thank you very much, for the design, construction and installation of our new wardrobes. After obtaining many quotes it was an easy decision to choose your company. It was certainly the right one. Thanks for your care and expertise.

To Max, John & Peter @ Classique Design

Thank you all for your fantastic service @ all times. In these times it is so rare to have the quote, delivery & installation done so professionally and to the minute of when you said it would be done.

The girls are thrilled – should have done the cupboards & desk/robe a long time ago.

Kind Regards,

Libby

I want to tell you how pleased I am with the final finished cabinetry purchased from Classique Design. The confusion over the shelf above the corner desk unit was unfortunate but not only am I very pleased with the replacement smaller unit, I also appreciate the commitment of your company to customer service. You told me you wanted me to have a finished product I was happy with, and I do.

It was a pleasure to do business with you and I will be in contact with you when next I need Classique's services. I will happily recommend Classique Design to others.

Kind Regards,

John

Many thanks for great design, prompt service and faultless installation.

Dear Max, Peter & John,

We are thrilled with the laundry cupboards you have made and installed for us last week.

They are fantastic – the quality and workmanship are excellent and the whole process from design to installation was very efficient.

We look forward to having more made for other rooms and will highly recommend you to family and friends.

This is a short note to thank you for a job well done and for the prompt return of the \$20 (as I did not have the right change on the day of installation).

Having built-in-robos in two bedrooms has made such a difference to our storage and general neatness!

Thank you for your prompt and reliable work.

Regards,

Karina & Adam

This note is somewhat belated but that has given us extra time to enjoy our new wall unit that you designed and installed in our home, before telling you just how very happy we are with it and how impressed we were with every aspect of your service!

Your design work and all that followed were exceptional and we have recommended Classique without hesitation to many people who have admired your product in our home and saying that it looks it has always been part of our home.

Thank you and congratulations and well done!!

Dear Max, John & Peter,

This letter is a little belated but I wanted to write to thank you all for the work that you recently did in our house.

Right from the word go, when John arrived to measure up, listen to ideas and suggest new ideas, to when Peter came to perform the installation of the wardrobes, study fit-out and cupboards in what John named "the dodgy corner", I was impressed with the professionalism and skill of all those involved. Everyone that I dealt with was just excellent.

We have been very pleased with the end result; life is so much easier (and tidier) these days. The quality of the cabinets has most impressed us, and I would not hesitate to ask you to do any more work for us and also recommend you to others requiring cabinetry of an exacting standard.

Thanks again,

Louise

Dear Max, Peter & John,

Arno and I would like to thank you all for the fabulous job you did on our built ins. John captured precisely the look we wanted and the specifications in relation to the spaces were perfect.

Peter did a marvelous job with the installation and we are just thrilled with the result. We're looking forward to the finished product when David has completed the painting.

Thanks again for transforming our home into a showplace.

Kindest Regards,

Arno & Catherine

Many thanks again and we wish you all at Classique a safe and prosperous year.
